How can I use Custom Photo Jigsaw Puzzles for corporate training and promotions?

The uses are limited only by your imagination. However, we have a few suggestions:

1. Team Building
  - a. Utilizing an 8.5" x 11" 24 piece puzzle, give each team member a piece or pieces of the puzzle.
  - b. Have some teams try to put the puzzle together one team member at a time.
  - c. Have other teams assemble the puzzle as a group.
  - d. Obviously, the team working together will assemble the puzzle much faster.
2. Employee Gifts
  - a. Give your employees a 8.5" x 11" 60 piece puzzle as a reward for safety contests, sales performance, etc.
  - b. The puzzles make original Christmas gifts, retirement gifts, etc.
  - c. Whenever a unique gift is desired that promotes your company, custom photo jigsaw puzzles are a great alternative.
3. Customer Gifts
  - a. Custom photo jigsaw puzzles provide novel gifts to your customers that can promote your company or products.
  - b. Do to the nature of the puzzle, your name or image can be kept in front of the customer.
  - c. The customer is more likely to keep and look at this keepsake than a pen or pack of golf balls.
4. Product Introductions or Training
  - a. Utilizing the 4" x 6" 24 piece puzzle, new products can be introduced to your sales force or customers.
  - b. Generate a digital image of the new product, add text if desired, and let Jigsaw Novelties turn the image of your new product into puzzles.
  - c. The text could include benefits and features of the new product.

Remember, quantity discounts are available for multiple puzzles of the same image, size and piece count.
